Volume 44, No. 1 www.jaguarclubofpittsburgh.com JANUARY 2021

Happy New Year! Two Good Reasons to Look Forward to 2021!

Well, there's actually a third reason to look forward to 2021 — because we are SO READY to SAY GOOD-BYE to 2020!! What a year filled with challenges!

But, for our purposes in this newsletter, it's finally time to put 2020 in our rear view mirror and get ready to celebrate 2021!!!

Why will the new year be special to JCOP members?

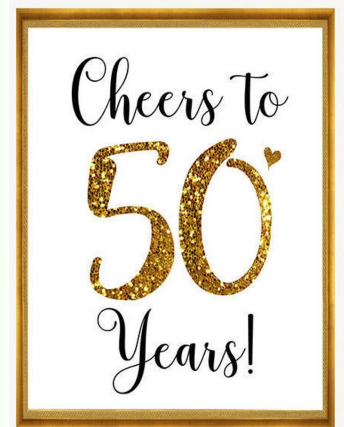

1. The Jaguar Club of Pittsburgh will celebrate its 50th anniversary!

Of course, all of us are too young to remember the start of the club back in 1971 ...
But we can all get in on the celebration! Bryan Williams already got the ball rolling by having a special grille badge and lapel pins commissioned to mark the occasion.
Our officers and board of directors will be making plans to get together to celebrate (if, of course, the current restrictions for social distancing are lifted by then!)

YOU can help NOW by being part of our “Cheers to 50 Years” celebration:

Share your memories of good times spent at JCOP events over the years.
Send an email to Candy Williams at candywilliams591@gmail.com and include one or more photos of you, your Jaguar(s), and places you've been with fellow club members. We'll share your thoughts and pix in the Jargon!!
PLEASE PARTICIPATE!

2. 2021 will also mark the 60th Anniversary of the E-Type!

If you have a story about an E-Type (it doesn't have to be yours) that you would like to share with club members, please send your article (and photos) to candywilliams591@gmail.com

Even though we can't get together right now, these stories will be a great way of keeping in touch!!

The staff of the Jargon (all 1 of us) will appreciate your help!!

Thanks, Candy

President's Perspective

By Dave Gamret

The astute among you may have noticed that Pete Galinowski's lovely XJ sedan is no longer gracing the masthead of this section of The Jaguar Jargon. That's because the Nominating Committee (kind of like the Electoral College) has ratified my progression from 1st Vice President to the honor of guiding our club for the coming year. I would be remiss if I did not ask you to join me in my first order of business by sincerely thanking Pete for the two years he has served as President. We should all take time to personally express our gratitude and appreciation for his dedicated and extended service at the next opportunity we have to conduct an actual social event.

As we prepare to embark on our journey into 2021, we do so with the hope that our daily lives and our enjoyment of good times in JCOP will soon return to some semblance of normal. Covid19 has significantly disrupted our planned activities in 2020 both within and outside of the club. We have dealt with the challenges it presented as well as we could despite having to cancel many of our traditional events. Fortunately, a few of our activities like the Concours and Fall Leaf Tour were able to continue and we should acknowledge the efforts of all those who contributed to make them a reality.

Looking forward to the coming year, the immediate future is clearly uncertain. We are all hopeful that the medical profession will enable us to resume our lives with friends and family at the earliest opportunity. Once the health and safety of our members can be assured, the club intends to resume the full schedule of events that enabled us to enjoy our Jaguars with each other. Despite the challenges presented by the Covid 19 virus we find the club remains on solid ground. There are sufficient funds in the treasury, a strong board of directors in place, encouraging support from our dealer partners and the potential to resume a number of mainstay activities that JCOP has enjoyed over the past few years. We may be off to a slow start in 2021 but we are confident the club will be up and running at full throttle later this year.

Speaking of running at full throttle, JCOP functions primarily because of the dedication and effort expended both by a committed Board of Directors and by a corps of active members. We grow as a club and increase our enjoyment because new people with new ideas continually come forward to serve in some capacity. It's only January, but I ask that you begin now to consider joining the Board for 2022. Talk to any member of the Board and let them know you'd like to be considered as a candidate when the Nominating Committee begins its deliberations in the fall. Don't be bashful! The club always needs energetic members with innovative ideas.

Finally, thank you for your confidence and support in selecting me to act as your President. I will both strive to exceed your expectations and ask for your continued assistance in making JCOP a club we can all be proud of.

Dave

NEW JAGUAR F-TYPE HERITAGE 60 EDITION CELEBRATES DIAMOND ANNIVERSARY OF LEGENDARY E-TYPE

(COVENTRY, UK) – December 9, 2020 – Jaguar is marking the 60th anniversary of the E-type sports car in 2021 with the introduction of a new limited-edition 575 hp V8 Supercharged F-TYPE Heritage 60 Edition. Just 60 examples of these all-wheel drive sports cars will be available for sale worldwide, each one hand-finished by the personalization experts at SV Bespoke.

A specially curated commemorative specification includes solid Sherwood Green paintwork, an original E-type color that hasn't been offered on a new Jaguar vehicle since the 1960s, and extended duo-tone Caraway and Ebony Windsor leather interior trim which isn't normally available on the F-TYPE.

The new limited-run model also features a unique aluminum console finisher inspired by the rear-view mirror casing in the E-type, the E-type 60th anniversary logo embossed on the headrests of the lightweight Performance seats and "E-type 60" badging shared with the limited-edition E-type 60 Collection vehicles announced by Jaguar Classic earlier this year. Commemorative treadplates, an SV Bespoke commissioning plaque and Caraway-edged carpet mats provide finishing touches.

Mark Turner, Commercial Director, Jaguar SV Bespoke, said: *"Celebrating 60 years of the iconic Jaguar E-type is the perfect moment to create our first-ever SV Bespoke limited edition—and the rarest, with just 60 cars available globally. We've worked closely with Jaguar Design to develop a theme for the F-TYPE Heritage 60 Edition that pays homage to the E-type in a contemporary way. It's testament to Jaguar's sports car design lineage that the 1960s Sherwood Green color looks as though it was designed for today's F-TYPE."*

The F-TYPE Heritage 60 Edition is available in both Coupe and Convertible body styles with exclusive Diamond-Turned Gloss Black 20-inch forged alloy wheels, Gloss Black and Chrome exterior accents and black brake calipers.

Supercharged Performance

Launched in December 2019, the new F-TYPE R—which forms the basis of the new F-TYPE Heritage 60 Edition—is exclusively all-wheel drive and features revised dampers, anti-roll bars and rear suspension knuckles for heightened driver engagement. Its power comes from the 575 hp supercharged V8 engine from Jaguar, which produces 516 lb-ft of torque for outstanding pace in all conditions.

Jaguar Club of Pittsburgh MEMBERSHIP MATTERS

By Jack Terrick

We certainly hope that 2021 will be a year in which we can get back to normal when it comes to our club activities.

Our deadline for providing our club roster to the JCNA is early February, so we need to receive member dues by the end of January to make sure you don't fall off the JCNA roster. As an extra incentive to get your dues in on time, we will be providing a **free JCOP 50th anniversary lapel pin to all new and renewing members who are paid as of January 30th. One pin per family membership only.** I believe Bryan Williams has additional pins for purchase.

Thanks to all who have already sent their 2021 JCOP renewals. The current list of those whose dues I have received for 2021 is on the next page. If your 2021 dues are paid by the end of January, you will receive one JCOP 50th anniversary lapel pin. I will send those out en masse after the deadline to avoid making piecemeal mailings.

If you have any questions, please contact me at jht66e@comcast.net.

SCREEN GEMS — Bueller. . . Bueller. . .

By Dennis Ward, Editor, *The Valley Jaguar*
Susquehanna Valley Jaguar Club

“My father spent three years restoring this car. It is his love. It is his passion.”
“It is his fault he didn’t lock the garage.”

But the red roadster is a '66 E-Type, not a Ferrari Spyder California.

For a few seconds, I thought the filmmakers superimposed Matthew Broderick and Alan Ruck over a new garage with an E-Type sitting in it, rather than the Ferrari. Glass walls with a lush green forest line the back of the structure.

But wait! “Don’t even think about it.”

A voice from the ceiling? The next scene in this new commercial for Liftmaster, shows Alan Ruck, who played Cameron, Ferris’s depressive buddy in “Ferris Bueller’s Day Off,” is now the dad. And he has gotten smarter than his teenage self. As the garage door closes in the boys’ faces, we are assured that the E-Type will not share the same fate as the Ferrari, crashing through the plate glass and falling 30 feet to the valley below.

Dad, played by Alan Ruck himself, in a quirky twist of fate, has a new Liftmaster opener with a video camera that sends a picture to his cell phone, allowing Dad to catch Cameron Jr in the act, while he sits at his desk. “Kids” says Cameron Sr.

This ad is so well done, it works on many levels. As a tribute to the original film, someone who has seen the movie before might think it is the original, until it begins to sink in that that the original car was a red Ferrari. Then it takes us to the next level, when we realize that the father is the original Cameron, protecting his prize Jaguar from his younger self. For those who never saw the film, it is still a very good vignette, with a fun plot involving a really cool car. And, of course, it is a really effective commercial, offering a surveillance device in a completely original way, although the subject matter has its roots in the past.

Quite a package in my opinion.
