President's Message

By **Bill Cooper**

With Thanksgiving in the rear view mirror, we can all look back on a busy year for members of the Jaguar Club of Pittsburgh. By now, all the collector cars are bedded down for the winter, only to venture out again if there is an ideal day when the sky is clear and the roads are dry and free of salt. Each of my cars has a short list of to-do items to be carried out between now and the arrival of Spring weather. Let's see if I can complete that list.

For those who attended our November Year in Review meeting at the Pennsylvania Trolley Museum on November 12, it was both well attended and productive, culminating as it did in a planning session for 2017 club events. Thanks again to Rich Aronson and his committee members Dave Murray and Dave Gamret for the event planning.

The venue and food were both wonderful and the ride on "A Streetcar Named Desire" and the museum tour were an experience not to be forgotten soon. Bryan Williams rendered the report of the Nominating Committee, and the slate of 2017 officers was accepted by those present. Best wishes to both new officers and those continuing to serve in their present roles.

Here's wishing you and your loved ones a safe and happy holiday season.

Bill

A Note from our Incoming President, Cecile Canales:

Would you like to be more involved in organizing and attending Jaguar club events in 2017? What events do you enjoy most and would like to see continue? What new or old places you would like to visit? We are asking members to give suggestions for tech sessions, dinners, drives, tours and requesting Jaguar club members to help volunteer and organize events for the 2017 year. Please send your suggestions to ccanales2@comcast.net.

PVGP Takes a ‘Victory Lap’ for Annual Fundraiser

Sponsors, partners and volunteers gathered Oct. 19 at Hofbrauhaus on the South Side to take a victory lap for this year’s Pittsburgh Vintage Grand Prix, featuring Jaguar as Marque of the Year.

125 people were on hand to toast the 34th year for the world-class vintage racing event that benefits the Autism Society of Pittsburgh and the Allegheny Valley School.

Charity Ambassadors were presented plaques and a select group of PVGP volunteers — including JCOP’S Don Johnson — were honored with checkered flags for outstanding volunteer service to the organization.

Don Johnson, above, was one of the winners of the Pittsburgh Vintage Grand Prix’s “Winning Effort 2016” checkered flags (below) for his volunteer service over the years, working race-side during the vintage races held in Schenley Park and the PVGP Historics at Pitt Race held at Pittsburgh International Race Complex.

Western PA car clubs, including Jaguar Club of Pittsburgh represented by Bryan Williams and Don Johnson, were recognized by PVGP Show Side Director/Car Shows Bob Speer (at far left) and PVGP Executive Director Dan DelBianco, for their work on

the PVGP, including for JCOP, Marque of the Year activities and the Pittsburgh Concours d’Elegance.

The Pittsburgh Vintage Grand Prix has donated \$4.35 million to its two charities since 1983, including a record \$400,000 for 2015. The 2017 PVGP, scheduled for July 7-16, will feature Camaro as the Marque of the Year.

Patti and Susan, in the above photo, representing Bobby Rahal Jaguar, one of JCOP’s sponsors, also were recognized for their efforts.

JAGUAR SERVICE PROVIDER DIRECTORY

Fellow Jaguar Club of Pittsburgh Members

This is just a friendly reminder that the Service Provider Directory has been up and running on our website. So far, three club members have contributed recommendations to the list. Certainly some of the remaining 105 or so members have dealt with a reputable business that they can share with our club. With winter approaching and the list of garage projects growing, finding the right part or restoration skill will help guarantee that our classics will be ready for spring. If you haven't visited the site yet, check it out at:

Here is a sample entry for a business that rebuilds electrical equipment:

BUSINESS	CLUB DISCOUNT	COMMENTS
ELECTRICAL		
Rubino Electric 126 Main Street New Eagle, PA 15067 724-258-3204 Talk to Richard		<u>12/15/15</u> : Vintage repair shop for electric motors, generators, starters, etc. Very reasonable prices. Dave Gamret

Entries are grouped in categories such as General Parts, General Service, Engine, Body Exterior and Trim, Electrical, etc. as seen above. If you send me the information I will add it to the directory. In order to be included, the supplier must be recommended by a club member who has had a positive experience with that supplier.

To add a supplier to the list, send me the following:

Name, address, phone number, website (if applicable) and contact person (if applicable)

Discounts available to club members and contacts, if any

Date the service or parts were received

Member comments

Member name

Providing all this information will enable other club members to find the supplier, ask for any discounts available, know how old the recommendation is, see specific comments and have a fellow member's name to contact with any further questions.

This can be a great resource if we all share our experiences. I look forward to hearing from you.
