## President's Message

By Bill Cooper

Following is the latest on my 95 V12, and a word to the wise for those with aging modern Jags.

I was able to change the faulty rear speed sensor on the automatic gearbox last week, with the driving experience returning to normal. This \$12 tachometer sensor on the exterior of the gearbox is held in place by a single bolt, but limited access meant dropping a large section of the exhaust. About 8 hours later (not all in one session) it was back in place with eight bolted flanges welded in place. Next up on the surprise list, one oil cooler (engine, not gearbox cooler!!) flex line suddenly split, with the result of dumping dearly all the engine oil on the road. Fortunately it happened less than half a mile from home while inbound, and it does not appear there was any engine damage. These lines are going to be difficult to remove and repair due to poor access. New flex lines will have to be made up at the hydraulic shop. So, if you have an early XK8 or XJS, which may also have similar (poor factory quality) cooler lines, I recommend you add these to

your preventive maintenance schedule before you get a nasty surprise.

Last Sunday's drive to Jennerstown was wonderful and very well attended. Dave and Karen Murray led the way on a series of scenic and twisty roads meandering through the countryside. After a great meal at the very scenic Green Gables Restaurant, the group moved over to the Mountain Playhouse to see a performance of The Bikinis. Thanks to Dave and Karen, and Jack Terrick and Jack Mancuso who helped lead two of the three groups of cars from our meeting point in New Stanton to our destination in Jennerstown.

I hope those who attended this year's U.S. Steel Tower Plaza Annual Display of Jaguars on June 7 enjoyed the day. Thanks to Cecile Canales and Dolly Taskey for their planning and for making this event a success.

Finally, your Board of Directors met on June 17, and I can say that we are planning a very special November event for the club. A committee has been formed to finalize details and more information will be forthcoming soon.

I hope to see you at one or more of the upcoming Marque of the Year events coming up over the next two weeks. There will be a car event to suit every taste, so please try to get out and join the fun with your Jag.

Bill

## JCOP PHOTO ALBUM

The Jaguar Club of Pittsburgh is proud that one of its members, Alan Patterson, is serving as the Pittsburgh Vintage Grand Prix Honorary Race Director at this year's edition of the charity event that honors Jaguar as Marque of the Year. Alan is a long-time member of the Jaguar Club of Pittsburgh and his 1961 Jaguar E-Type is featured on this year's PVGP poster by Tavis Coburn.

In the photo at right, Alan Patterson is shown making a turn at the recent Historic Grand Prix in Monaco, the most famous street racing course in the world. Alan will be racing at this month's PVGP at Schenley Park, the only US race track still held on city streets.

# US STEEL PLAZA DISPLAY OF JAGUARS

By Cecile Canales

Perfect weather, great music, and wonderful cars! Thus was the 28th annual US Steel Plaza Display of Jaguars Tuesday, June 7, 2016. Festive balloons and flags adorned the area and attracted many observers admiring the cars. During the lunch hour Johnny B. and the Accelerators performed for the Tuesday Summer Concert Series with our own Jaguar member, Beth Zappa as vocalist. Attending Jaguar members enjoyed a box lunch around the outdoor patio tables. Jaguar Club information was available at the race-checked, new member registration area. A photo of long-time Jaguar Club member, Edward Graham, organizer of the event for 16 years, was displayed with his beautiful, black 1956 XK 140 FHC which he had brought to the show every year.

We wish to thank Barbara Stull, concierge of the US Steel building, for all the prior arrangements and for providing donuts and complementary coffee at Starbuck's. We also thank A & L Motors for displaying a new F Pace SUV and a new XE sport sedan. Everyone enjoyed the Jags, music, food and friends. Thanks to all who came out. You will not want to miss out on this exciting opportunity next year! We would love to have 29 cars for the 29th anniversary! Organizers of the event were Cecile Canales and Dolly Taskey.

# The Sewickley Show

A Display of Exceptional Automobiles

**SATURDAY, AUGUST 6, 2016**

**BROAD STREET | SEWICKLEY**

Sewickley is welcoming us once again to their quaint little business and shopping area. The Sewickley Show, The Annual Display of Exceptional Automobiles will be on **August 6, 2016** and once again, we're on **BROAD STREET BESIDE ALL THE UNIQUE SHOPS** that we have grown accustomed to in years past. Together with guests from the Rolls Royce Owners Club, and the "Italian Cortile", we will again have an exciting 3-way grouping, that will represent a breathtaking array of interesting marques. Jaguars! Rolls Royces! Bentleys! & exotic Italian Marques! ... as much fun as a "street party" with great cars to "shoot-the-breeze" about ... lots of things to see and share among the car junkies in all of us! Also, we are very appreciative for the regular annual support from Bobby Rahal Jaguar, who has renewed their sponsorship for yet another year. They will also be displaying a couple of new Jaguars and will have technical people on hand to provide more "in-depth" discussions about various details of current Jaguars. Many thanks!

Register now - it surely will be another great event not be missed. As in past years, participants can choose to be in either of two categories, "Display Only" (not judged), or the "Judged" category. Though judging is not mandatory, it is conducted in a very casual fashion that is best described as "Concours-lite". It does NOT involve the demanding detail of a formal Concours, but has just enough to still be relaxed and simple. Due to the limited size of the venue, we are limited to 50 cars.

**WHEN: Saturday, August 6th, 2016 rain or shine.**

**TIME: Check in 10:00 AM - 11:00 AM at the registration table.**

**Final cleaning 10:00 AM – 12:30 PM. Judging begins at 12:30 PM. Awards 3:00 PM**

## SHOWING OPTIONS:

Category #1 -- Non-Judged. (Display only)

Category #2 -- Judging & eligible for a trophy according to categories based on registration. Classes will be mixed marques, generally grouped according "decades" (i.e, cars of the 50's, 60's, 70's, 80's, 90's etc), with adjustments as necessary for unique cases. The usual informal judging format (not a formal Concours) will be used, and a maximum of three trophies will be awarded in each class. Emphasis is on appearance, cleanliness, and fundamental originality (Note: originality will be basic and informal, and will NOT be viewed with excruciating detail).

**PEOPLE'S CHOICE AWARDS:** Three trophies (Jaguar, Rolls/ Bentley, and Italian Cortile) with the most votes will be awarded according to votes cast by the admiring public. Any registered entry is eligible to win, provided it has not won a 1st place People's Choice award in the last 2 years of this show. Both judged and display-only entries are eligible.

**REGISTRATION:** Registration fees are as noted below. All registrations must be received by August 5, 2016. Provided space is available registration will be \$10 more on the day of the show. Please register early, it helps determine classes in advance. Judged Category is ONLY available to advanced registration. Day of show entries can only be in the non-judged "display only" category. Registration is complete once your check & application are received in the mail, or via email scan of this form. Your registration packet and show materials will be distributed the morning of the show, upon your arrival.
